

Angeliko Roland Centeno

+63 920 348 7694 · angeliko.centeno@gmail.com
Golden City Brgy. Canlalay, Binan City, Laguna

EDUCATION

Polytechnic University of the Philippines - Binan Campus
Bachelor of Science in Information Technology

October 2023

INTERNSHIP

5L Solutions

March 2023 - July 2023

IT Field Engineer - Part-Time (Formerly Intern)

Maintained and troubleshooted ITD equipment at 7-Eleven locations, including POS systems, LAN cables, internet connections, desktops, and network configurations. Ensured smooth operation, diagnosed and repaired issues, performed routine checks, provided technical support, and minimized downtime. Enhanced skills in network management, hardware maintenance, and customer support.

PERSONAL WORK EXPERIENCE

Yngen Datacom Corp.
Technical Analyst

August 2024 - January 2025

Responsible for reviewing technical posts, quickly and accurately identifying potential sales leads. Adept at understanding complex technical discussions and efficiently assessing the potential of writers as prospective leads, contributing to the growth and success of the sales pipeline.

Digiteer Inc.

February 2024 - August 2024

Jr Systems Engineer - Backend

Worked on developing and maintaining server-side components for web applications, ensuring efficient data handling and smooth database operations. Focused on writing scalable, well-structured code, resolving backend issues, and working closely with front-end developers to integrate features seamlessly. Contributed to architectural improvements to boost system reliability and scalability.

CERTIFICATIONS

Diditeer Academy - Digiteer Inc.
Frontend Course

Sept 2023 - December 2023

Key responsibilities in the frontend course included learning SEO basics, creating landing pages, and designing responsive web interfaces. Developed skills in optimizing web pages for search engines, building engaging landing pages, and ensuring optimal user experience with responsive designs across devices.
